BIOGRAPHY

Brian Clarhaut was named the third head coach and technical director of El Paso Locomotive history on Dec. 15, 2022, bringing to El Paso 11 years of coaching experience with six of those years being abroad in Sweden, where he led teams across the tiers of the country's professional soccer pyramid.

At just 36-years-old, Clarhaut established a reputation for himself by being one of the few Americans to have coached a team in Europe. He became the first American to coach a team in the Allsvenskan – Sweden's topflight soccer league – when he took over GIF Sundsvall in 2022 and the second American to coach a team in the Swedish soccer system since former US Men's National Team Coach head coach Gregg Berhalter did so with Hammarby IF for the 2012-13 Superettan, the second tier of Swedish soccer.

A native of Medford, New Jersey, he was ranked as a top-100 player in the U.S. in 2003 at the age of 17 and earned an invite to the Generation Adidas Elite Soccer Program (ESP). He was a member of the 23-0-1 Shawnee High School squad that won the 2003 New Jersey state title and finished as the second-ranked team in the nation according to the National Soccer Coaches Association of America (NSCAA). In 2002 with Bishop Eustace Prep, he set the single season assists record (27), was an all-conference performer and an All-New Jersey Top-11 Player.

Clarhaut would go on to play NCAA Division 1 soccer at St. Peter's University from 2004-06, he was a member of the All-Metro Atlantic Athletic Conference (MAAC) Academic team. However, he would suffer a career-ending injury against the University of Connecticut.

Showing his leadership qualities on, Brian got his start in coaching as an assistant on the Stevens Institute of Technology men's soccer coaching staff, where he spent the 2009 and 2010 campaigns. While there, he helped four players reach NSCAA First Team All-America honors.

In 2011, he would join the University of Connecticut as Director of Soccer Quality Control, helping the Huskies reach the Big East Championship Game and the NCAA Quarterfinals with a 19-3-3 record.

He would make the move to Temple University the following year, where he worked as the Owls top assistant under the leadership of head coach David MacWilliams until 2015. In his four seasons at Temple, Clarhaut contributed to the share of men's soccer success.

For the 2015 campaign, the Owls earned their first national ranking in 18 years at No. 23 in the National Soccer Coaches Association of America poll and peaked at No. 17. At the conclusion of Temple's inaugural season in the American Athletic Conference in 2013, Clarhaut and the rest of the Temple coaching staff were awarded Coaching Staff of the Year after leading the team to fourth place finish with an 10-4-4 overall record. In his first season at Temple, he helped mentor the squad to nine shutouts, a 10-6-2 overall mark and to an Atlantic 10 Tournament appearance. Aside from the 2014 season, the Owls made a postseason conference tournament appearance each year Clarhaut was there.

Thanks to his connection with Swedish coach John Wall, Clarhaut would be offered an opportunity to coach abroad in Sweden at Nyköpings BIS in the third division. Clarhaut would make the bold move across the pond and join Wall's staff as an assistant coach for the 2016 season, which the club finished ranked seventh in the league. He would take over as head coach in 2017, leading the club to a fourth-place finish in the Norra conference.

Clarhaut would remain at Nyköpings BIS until Dec. 2019 after he was given the opportunity to lead Umeå FC for their upcoming season in the Superettan, which they qualified for after winning the promotion playoffs. Despite a lot of promise heading into the season, the club would place 15th in the league and drop back down into the third division.

Clarhaut would remain in the second division once he joined GIF Sundsvall in 2021 as an assistant coach to Henrik Åhnstrand, who saw a lot of promise in Clarhaut's coaching career. Clarhaut would help the team finish second in the league and achieve promotion to the Allsvenskan for the 2022 season.

Following a string of poor performances in the Allsvenskan, Sundsvall sacked Åhnstrand in July of 2022 and named Clarhaut as an interim head coach. Despite his best, challenges on and off the field continued to take a heavy toll on the team that Clarhaut had adopted. Sundsvall finished the season in last place and return to the Superettan for 2023.

Clarhaut currently holds a UEFA A coaching license.

Brian is joined in El Paso by his wife, Cosima, and one-year-old son, Emil.

The 25-year-old Hungarian joins Locomotive after four years of playing at the top level of Hungarian football with Debreceni VSC. He was a key figure in the Hungarian side's backline in both its Europa League qualifying campaign in 2019 and a semi-final finish in the Magyar Kupa (Hungary's annual cup competition open to all clubs across the country), as well as a successful turnaround in Hungary's second tier in 2021 to regain top level status after having been relegated in 2020.

In all competitions with Debreceni, Pavkovics made 118 appearances, scored seven goals and assisted three.

Prior to Debreceni, he played with Ujpest FC from 2015-18, making 43 appearances for the club and was a member of the 2017/18 squad that brought home the Magyar Kupa.

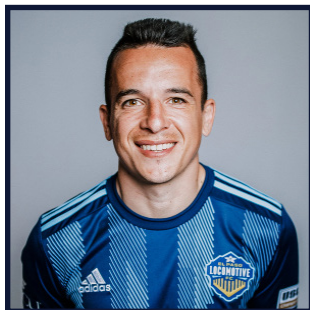

BIOGRAPHY

Borelli joined Locomotive FC from the team's Liga MX sister club, FC Juarez, ahead of the 2020 USL Championship season. Since then, Borelli has gone on to be one of the hardest working players on the backline and consistently creating chances down the left flank. His performances at Locomotive earned him back-to-back Locomotive Defender of the Year honors and the club's 2020 MVP.

Having joined Los Bravos on loan in 2015 before signing full time in 2017, Borelli tallied three goals across 106 appearances for Juarez. Prior to his time with Juarez, the seasoned defender played with various clubs across Liga MX including Queretaro, Correcaminos, Atlante and UANL Tigres - where he helped lift the Tigres side to the Apertura 2011 Championship win.

BIOGRAPHY

The El Salvador international returns for his second season with El Paso Locomotive and continues to grow as a leader for the squad heading into 2023. With his impressive technical and tactical ability, Calvillo scored six goals (tied for third-most at the club) and assisted two across 31 appearances in 2022.

Calvillo began his career in the NASL with the New York Cosmos, where he helped lift the team to a first-place finish and a trophy in 2016, before making the leap to Major League Soccer. Calvillo signed with San Jose Earthquakes in 2018 before going on loan to Reno 1868 FC.

Despite having played for the U.S. at the youth level, Calvillo elected to represent El Salvador at the senior international stage. He earned his first appearance for the El Salvador Men's National Team in September 2021 against Guatemala and would become a contributing member in El Salvador's 2022 World Cup Qualification campaign.

BIOGRAPHY

The youngest signing in club history, 16-year-old Luis Moreno is a standout U.S. Youth National Team prospect who joined El Paso from the Houston Dynamo Academy.

Moreno's knowledge on how to move off the ball and connect with teammates to progress up the field makes him someone to keep an eye out for as the season progresses, especially under new head coach Brian Clarhaut, who built a reputation for developing young players while in Sweden.

OPEN CUP HISTORY

About The Lamar Hunt U.S. Open Cup

The nation's largest and oldest soccer tournament, now in its 108th edition, is open to any team, professional and amateur, and has crowned a champion every year since 1914 except for 2020 and 2021.

The opening rounds are primarily made up of top amateur and semi-pro teams who've battled through five qualifying rounds to clinch a spot in the Open Cup proper. In the second round, teams from the USL Championship, USL League One, National Independent Soccer Association (NISA) and MLS Next Pro enter to face each other and winners of the first round.

Those that advance from the second round move to the third round where clubs from Major League Soccer enter, providing clubs from lower divisions a unique opportunity to test themselves against top division teams.

The 2023 U.S. Open Cup winner will earn \$300,000 in prize money, a berth in the 2024 Concacaf Champions League and have its name engraved on the Dewar Challenge Trophy – one of the oldest nationally-contested trophies in American team sports – now on permanent display at the National Soccer Hall of Fame in Frisco, Texas. The runner-up will earn \$100,000, while the team that advances the furthest from each lower division will take home a \$25,000 cash prize.
